

It Could Have Been That Way!

by Crystal Knapp with Patricia Logue

- Was this thought provoking to you?
- Have you been pregnant before? Were you able to talk to a friend or relative that had been there before?
- Was that helpful?

Bonus Questions:

- Have you ever helped someone by calming them and telling them what to expect in a nice way?
- If you are pregnant, what do you are you doing to help your baby develop properly?
- Think of someone you could help along the way. Picture the conversation in your mind and practice it.
- Then do it!

Reach UP to God:

- Can you imagine being visited by an angel?
- What do you think it might be like?
- What other concerns do you think Mary must have had as the mother of Jesus?
