

Do-It-Yourself Tips from the Handyman!

by David Knapp

- Did you know how much vinegar could help you?!
- Which tip do you need right now?
- Which had you heard before and you use?

Bonus Questions:

- Where will you store these tips for the next time you need them?
- Hint: Maybe tape each one inside a cabinet near the kitchen sink.

Reach UP to God:

Remember that God is our original and always accessible “handyman.” Like with any of life’s difficulties, He is near and always ready to listen and provide wisdom. Thank God today for whatever you learned about these simple and inexpensive tips we can all use to make life go more smoothly.
