

Selective Seeing Sees Beauty Everywhere

by Crystal Knapp

- Do you have some areas in your home space where you could use Selective Seeing?
- Can you use Selective Seeing in other ways besides at your home?
- What seems horrible in your life at this moment? Could you use Selective Seeing on parts of it while you take the time to make it better?

Reach UP to God

The author saw her space from a Philippians 4:8 place. God tells us to 'fix our thoughts on what is true, and honorable, and right, and pure, and lovely, and admirable.' Think about things that are excellent and worthy of praise.
