

Can My Bathroom Really Sparkle?

by Crystal Knapp

- How do you feel about cleaning? Is it something you like to do?
- How did you like the system that Crystal shared?
- Have you ever considered playing music to make it more fun?

Bonus Questions:

- How does it feel to have a clean and organized space?
- Is there anything you would like to add?
- Are you inspired to put this into a regular routine?

Reach UP to God:

- Praise music is a wonderful way to worship while you are getting something done.
- Remember how Jesus has cleaned you from the inside out from sin (see first article).
- Ask God for a spirit of joy as you do little things. He cares deeply for you and He is with you in every detail of your life – even cleaning the bathroom. He sees you!
