Four Mothers Changed the Generations
By Crystal Knapp

- Do you know about your family history?
- Do you find genealogy interesting?
- Where in the world were you born? Tell us about your family — whether it's your biological family, your foster family or your adoptive family.

Bonus Questions:

- Were you surprised to hear that women were included in Jesus' genealogy?
- How does that make you feel that women with messy pasts were shown honor?

Reach UP to God:

- Take some time to look up the stories of these women.
  Tamar – Genesis 38:6-30; Matthew 1:3
  Rahab – Joshua 2:2-24, 6:17-25; Hebrews 11:31;
  James 2:25; Matthew 1:5
  Ruth – Ruth 1-4; Matthew 1:5
  Bathsheba – 2 Samuel 11, 12; 1 Kings 1:11-17; Matthew 1:7
- Talk to God about how your past might be told in a new way.
- Remember you are loved by God. Tell another woman today that she is loved by God!
